Maybe even better than free.

Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Just upload the file you wantto share with your friends and we send you a download link to your file. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer orphone and our servers, then from our servers to your friends device. If only we could, we surely would! On the other hand, using file can actually save youmoney. You decide who you want to share your files with. The cost of that data transfer is covered by your internet service or the data plan on your phone. Wehave no file size limit. There are no restrictions on the number of times a file can be downloaded. No account or credit card is required to get started. Simplyupload your file and share the link. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Any file in any format canbe uploaded and downloaded for free. Files can be downloaded from any computer from our high speed servers. Unfortunately, we can't make that part free.filehosting provides an easy possibility for you to send large files to your friends. Using file, you can circumvent those limits without paying to upgrade yourteam chat service. It is also allowed to link to the download page from websites and communities. Keep your files private, or send your download links only tofriends or family. Alternatively you can choose to share your download links on blogs, forums and social networking sites. File is free to use with no gotchasand no hidden fees. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size offiles that can be transferred within their apps. You can upload any type of file (movies, music, documents, images, zip files and more). You can give thisdownload link to your friends by mail or instant messenger. So try our free and simple filehosting service now. You don't need any special software installed tobe able to download your files. Our service is completely free for everyone.
