Maybe even better than free.

When you use file, you avoid storing the file you're sending in your cloud storage or mail server. So try our free and simple filehosting service now. Files canbe downloaded from any computer from our high speed servers. You don't need any special software installed to be able to download your files. It is alsoallowed to link to the download page from websites and communities. You decide who you want to share your files with. Files transferred the old-fashionedway tend to pile up and be forgotten about, eventually costing you money in data storage fees. Unfortunately, we can't make that part free. You can give thisdownload link to your friends by mail or instant messenger. Using file, you can circumvent those limits without paying to upgrade your team chat service. Whypay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. Simply upload your file and share the link. No account or credit card is required to get started. Keep your files private, or send your downloadlinks only to friends or family. Filehosting provides an easy possibility for you to send large files to your friends. This is easy, fast and reliable filehosting! Youdon't need any kind of premium-accounts. File is free to use with no gotchas and no hidden fees. We have no file size limit. If only we could, we surely would!On the other hand, using file can actually save you money. You can upload any type of file (movies, music, documents, images, zip files and more). Alternatively you can choose to share your download links on blogs, forums and social networking sites. Your wallet will be none-the-lighter! Just so we're all100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device.Just upload the file you want to share with your friends and we send you a download link to your file. There are no restrictions on the number of t
