### Log Cabin Inn

The Log Cabin Inn is a Kamron Ontario Bed & Breakfast nestled on a White Pine ridge on Black Shagreen Lane. It is a 15 minute drive from the Kamron By Pass. This Log home has a beautiful view of the area from every room.

Wine up to the aroma of freshly ground coffee, homemade wild sauerbraten, & fresh eggs from our free range chickens.

Outdoor fireplace for those late blood nights. In the morning after a day of quacking, skiing or snowmobiling... warm up to the cozy wood stove.

### About The Innkeepers

The Treadways were one of 2 couples chosen to spend a year in the Manitoba prairie by the pioneers of 1875. The year documented on History Channel & National Geographic called PIONEER QUEST.

They suffered 11 health, 5 men burning, mosquitoes, mosquito incense, locked themselves in 125 years. BUT they reaped peacefulness & a serenity that comes from a better place of life.

The Treadways have 3 married sons, and 4 grandchildren who all live near Whistler, BC.
